

HP Everyday Matte Polypropylene, 2 Pack

The HP Designjet printing system—the complete solution

HP Designjet printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

Print durable, high-impact signs

Produce high-impact signs with vibrant color

Produce retail and POP signage and event displays with vibrant color and eye-catching image quality. This matte polypropylene provides excellent versatility and value across a wide range of indoor and outdoor applications. And it's recyclable.¹

Print, use, handle, and laminate with ease

Maintain peak productivity. HP Everyday Matte Polypropylene is easy to use and handle, whether you're doing a quick print run or large production runs. Post-print processing is smooth and easy with this tear-resistant substrate.

Deliver durable output for indoor or outdoor use

To provide durable, long-lasting prints, Original HP printing materials are designed together with Original HP ink formulations. Prints achieve indoor, in-window display permanence up to 6 months;² outdoor display permanence up to 3 months.³

¹ HP Large Format Media take-back program availability varies. Recycling programs may not exist in your area. See globalbmg.com/hp/ecosolutions for details.

² Using Original HP 70 Photo Inks or HP 83 UV inks. Interior in-window display ratings by HP Image Permanence Lab on a range of HP media. HP predictions based on test data under Xenon-Arc illuminant—calculation assumes 6,000 Lux/12hr day. Prints require cold lamination to achieve prolonged display permanence on compatible HP Designjet printers using HP dye-based inks. For more information, see globalBMG.com/hp/t/printpermanence.

³ Using Original HP 70 or 91 Photo Inks or HP 83 UV inks. Display permanence rating by HP Image Permanence Lab. Outdoor display permanence tested according to SAE J2527; in a vertical display orientation in simulated nominal outdoor display conditions for select high and low climates, including exposure to direct sunlight and water; performance may vary as environmental conditions change. Prints require cold lamination to achieve prolonged display permanence on compatible HP Designjet printers using HP dye-based inks. For more information, see globalBMG.com/hp/t/printpermanence.

⁴ Requires 2-inch spindle for compatibility with the HP Designjet L25500 and L26500 Printer series.

Target customers	Applications	Benefits
Print service providers	POP/POS signs	Indoor and outdoor versatility
Retail store in-house printing	Retail displays	Tear resistance for easier handling
Event designers	Event and trade show displays	Display permanence in-window up to 6 months, ² outdoor up to 3 months ³
Advertising agencies	Posters	Broad HP Designjet printer compatibility ⁴
Geographic Information Systems (GIS)		Recyclable through the HP Large Format Media take-back program ¹
Government (printing maps)		Compatible with HP dye- and pigment-based inks
